Welcome EDventurers! For over 45 years Blackstone Valley Children's Place has taken pride in providing children and their families with quality care, education, and FUN! This summer we'll be bringing back some favorite activities and adding some new ones to the mix! Roller skating in the gym, daily open recreational swimming, and our gigantic waterslide were so much fun! In addition, we'll be adding free pizza Fridays, loads of community visits & field trips and as much fun as we can squeeze into the days! Our summer EDventures are sure to keep your child busy, engaged, and happy!

Whatever days or weeks you choose, you'll have a blast here at Blackstone Valley Children's Place! Each week we will introduce the children to local businesses & community organizations making a difference every day. Whether you're interested in learning about chemistry, learning about mammals, exploring different art media, designing bridges or flying drones our programs are sure to provide your child memories to last a lifetime!
