Camp Whitin 2.0 Frequently Asked Questions

DOES MY CHILD NEED A PHYSICAL?

Yes, ALL campers must provide an up-to-date current health form with full immunization record for each child attending camp. This can be obtained from your child's doctor's office or school. Actual immunization dates are required on the form. Please contact your doctor's office in advance to give them ample time to prepare the records and for you to have them turned into us PRIOR to the start of camp. Even if you provided one last year, we require a new form every year for each camper. **Remember, your child WILL NOT be able to attend camp without this form on file.**

WHAT SHOULD MY CHILD BRING/WEAR TO CAMP?

Campers should wear comfortable clothes, shorts, T-shirts, and sneakers. Plan to bring sun block and a water bottle. Full day campers should bring a snack, a bag lunch every day, one which does not require refrigeration or a microwave. If a camper decides to swim, they will also need a bathing suit and towel. Please leave anything no on the "What to bring" list at home. All items will have to fit into a basket provided by us. **Most importantly bring a great attitude and a smile!**

DO I NEED TO SIGN MY CHILD IN & OUT OF CAMP?

Children do not have to be signed in everyday, however the screening questions will be asked before allowing child to exit vehicle. Attendance will be taken at the start of camp, but ALL CHILDREN MUST BE SIGNED OUT OF CAMP EACH DAY. The registration form provides space for additional adults who have authorization to pick up your child. If this needs to be changed at any time, a written note signed by the parent MUST be sent in indicating the change. You MUST fill out the "Authorization for Self-Dismissal" form at the start of camp if you want your child to sign himself/herself out of camp. If a child is not picked up by 4:00pm, our staff will stay with the child(ren) until they are picked up. If the parent(s) and the person(s) listed on the child's release form cannot be contacted by 5:00pm, the local Police Department will be notified so the Dept. of Children and Families can be contacted to make arrangements for the care of the child. A reminder that late pick up fees of \$25 will be charged per session. We encourage parents to call if your child is going to be absent from camp.

IF IT RAINS, WHAT HAPPENS TO CAMP?

We will hold activities inside. Our facility provides several options for indoor play and activities while allowing for social distancing.

WHAT ABOUT MEDICATIONS?

Prescription and over the counter medications can be administered at camp. All medications must be in the original container with clear instructions. The medication form must be completed, signed, and returned to the Camp Director prior to your child's first day of camp. All medications are locked up and will be the health care supervisors.

DOES MY CHILD HAVE TO SWIM DURING THE DAY?

No. All campers will have the opportunity to swim before or after lunch if they choose to do so. Preauthorization is required on the camper's registration form. Camp counselors will take the children to & from the changing rooms and then to the pool area. Certified lifeguards and camp counselors supervise the pool during the swim. Those children not swimming will have the opportunity to relax or work on activity pages in the pool area with camp counselor supervision.

MY CHILD WILL BE 7 YEARS OLD IN AUGUST; CAN HE/SHE ATTEND A FULL DAY CAMP (7-13) IN JULY?

No. We recognize that while your child is almost old enough for the Full Day camp (7-13), we want to make sure all campers are at least 7 years old at the start of Full Day camp (7-13). If your child turns 7 during the summer, they can register for Camp Whitin, once they are actually 7 years old.

DOES MY CHILD HAVE TO WEAR A MASK?

Yes, your child does have to wear a mask while transitioning from place to place around the Whitin Community Center. A mask must always be worn when your child is inside the Whitin Center. They do not need to wear a mask while they are swimming in the pool, using the Llama-Unicorn sprinkler, or while outside doing activities as long as they are staying 6ft apart from everyone.

Testimonials

When asked about their child's WCC's Camp Whitin experience here is what some parents had to say...

"We liked the option of Extended Care because we work full time. The kids enjoyed the Harry Potter Camp...there was always something fun and different to do, and also loved the option to use the pool."

"The activities were very creative, and engaging, they got to bring something home each day. My son also tried new foods while at camp, which he never does at home! To me, that is a true testament to the encouraging staff at Camp Whitin. We love that camp made him feel so happy, and that he belonged."

"My child loved everything. Every day she had stories of what went on and how much fun she had. We ended up getting her a WCC membership so she can enjoy all you offer throughout the year."

"The wide range of choices, the reasonable cost, and the availability of camp care were great."

"They bounced out of bed every morning the week of camp because they were so excited to go. They were sad at the end of the week because it was over."

"We love going to camp! The kids love the interaction with the staff and other kids. It is a valuable part of our summer!"

"Over the years my kids have attended numerous camps. They have enjoyed the variety and as a parent I found them well planned out and professionally conducted."

"I feel they are in a safe environment. The kids loved the counselors, and the fact that they see their friends (every day)."
